JAC 2021

JOINT ADMISSION COUNSELLING (JAC) 2021
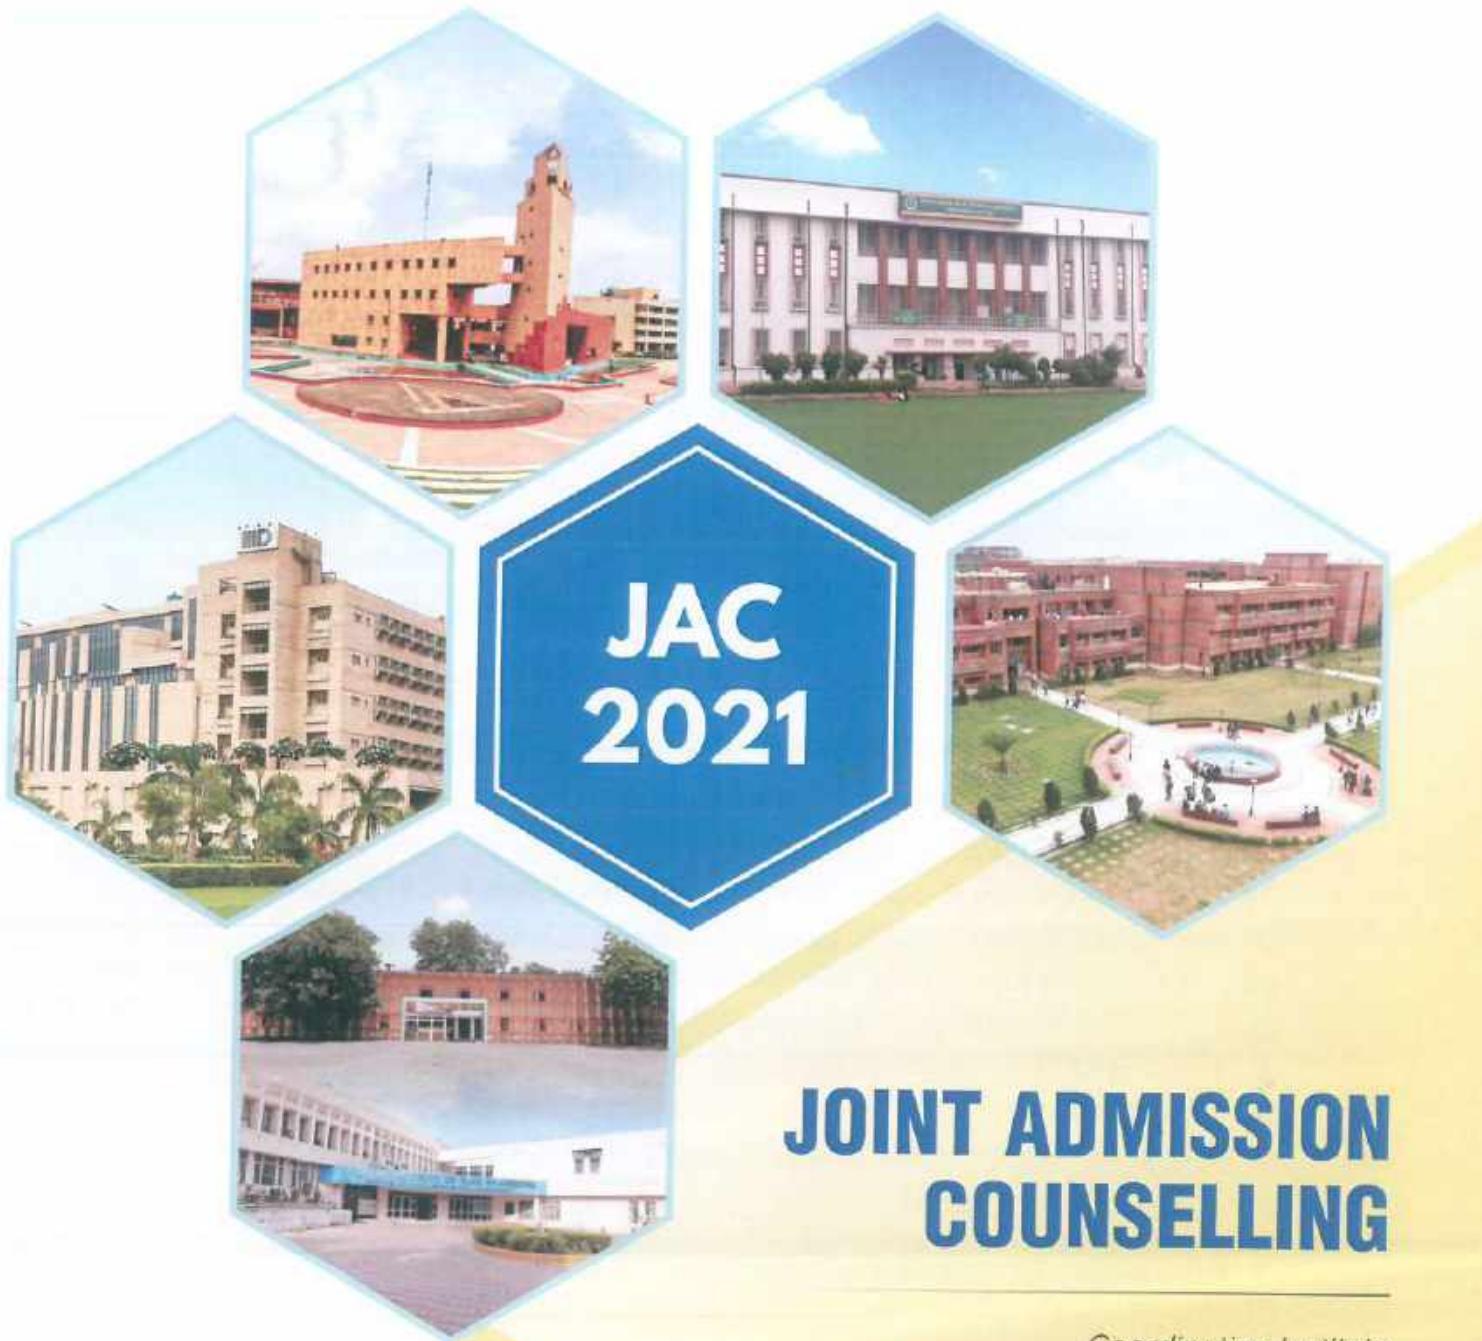

Joint Admission Counselling (JAC) for admission to Undergraduate Programmes in premier Delhi Government funded universities, offering Engineering, Architecture and Management programmes started in the year 2014, as an initiative of the Govt. of NCT of Delhi, to avoid multiple admission counsellings and save the candidates and their guardian from the resulting inconvenience because of shifting of students from one institution to the other during the admission process. This year, Delhi Technological University (DTU), Indira Gandhi Delhi Technical University for Women (IGDTUW), Indraprastha Institute of Information Technology, Delhi (IIITD), Netaji Subhas University of Technology (NSUT) and Delhi Skill and Entrepreneurship University (DSEU) are participating in JAC for their B.Tech programmes, which is being conducted online with the support of the National Informatics Centre (NIC). The admissions are done on the basis of rank of students in Joint Entrance Examination, JEE (Main) conducted by the National Testing Agency (NTA). This year, **6212** seats in Engineering offered by the five participating institutions are to be allotted through JAC Delhi counselling. For B.Arch. programme offered by IGDTUW, a separate online counselling will be conducted. Because of the prevailing situation in the country, there has been a change in the counselling procedure and schedule of the counselling. In case of further unavoidable amendments in the counselling procedure and schedule, the same will be made available on the JAC Delhi website www.jacdelhi.nic. in. In view of this, candidates and their parents/guardians are advised to regularly visit the JAC Delhi website.

This year, Delhi Technological University is the coordinating institution for JAC.

CONTENTS

Important Dates for Online Registration for B. Tech. Programmes

1.	Commencement of Online Registration and Choice Filling.	September 24,2021 (FRIDAY) from 10:00 AM
2.	Last Date and Time for Online Registration (Registration Form Filling, Registration Fee Payment and Choice Filling.)	October 24, 2021 (SUNDAY) till 11:59PM

Important NOTE: The above mentioned dates refer to the starting and the closing dates for the registration for the first round of counselling. However, if a candidate misses out the above deadlines for any reason, he/she may participate in further rounds of counselling through fresh registration before starting of succeeding round, as detailed in the counselling schedule.

Under no circumstances, the candidate registering in succeeding round can claim for seats already allotted to other candidates in preceding rounds in lieu of his/her merit. Therefore, all interested candidates are advised to register and participate in the JAC Delhi 2021 counselling from the very beginning, i.e. the above mentioned deadlines.

Registration-cum-Counselling Fee

Rs. 1,500/- + Transaction Charges (as applicable)

DELHI TECHNOLOGICAL UNIVERSITY (DTU)

(Formerly Delhi College of Engineering)
(Established by the Government of NCT of Delhi vide Delhi Act 6 of 2009)

Delhi Technological University (DTU) came into being after the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi. DTU is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas and matters connected therewith or incidental thereto. The university, in its various avatars, namely, the 'Delhi Polytechnic' and 'Delhi College of Engineering' (DCE), has served the nation and the global community since its inception in 1941, by providing trained manpower of highest quality in the field of engineering and technology, and, is globally recognized for its outstanding education, research and innovations. Currently, the University offers various inter-disciplinary and industry oriented programmes in Science, Technology, Management, and allied areas at **Undergraduate, Postgraduate and Doctoral** level. The University has established a strong academia-industry interface and has collaborations with reputed research organizations, industries, and premier institutions both at national and international level. The University lays great emphasis on assisting students in the development of national character, self-confidence, leadership and fostering an ecosystem for creativity and imagination.

Vision & Mission of DTU

VISION

"To be a world class university through education, innovation, and research for the service of humanity"

MISSION

To establish centres of excellence in emerging areas of science, engineering, technology, management, and allied areas.

To foster an ecosystem for incubation, product development, transfer of technology, and entrepreneurship.

To create environment of collaboration, experimentation, imagination, and creativity.

To develop human potential with analytical abilities, ethics, and integrity.

To provide environment friendly, reasonable and sustainable solutions for local and global needs.

PROGRAMMES OFFERED

The university offers 14 Undergraduate engineering programmes, 23 Postgraduate engineering programmes, 5 MBA programmes and 3 M.Sc. programmes. Besides this, the university offers other 3 undergraduate programmes in the field of Design (B. Des.), Management (BBA) and Economics (BA Hons.). The university offers 20 Ph.D programmes in all areas of engineering, science, management, english and economics. The UG and PG programmes of DTU provide most modern curricula, based on the Choice Based Credit System (CBCS), having rich mix of courses from science, engineering, management, social sciences, humanities, fine arts, liberal arts, classical music, sports, etc. The course curricula have been developed with a view to integrate advancements in science and engineering, thereby incorporating industry relevant technologies. To offer further flexibility, there is provision for credit transfer and earning credits through massive online courses (MOOCs) from different platforms such as NPTEL, SWAYAM, Coursera and Edx etc. The curriculum is regularly updated keeping in view the new technologies and changes in industries and society.

The university has introduced the provision of 'Minor' for the students admitted from academic year 2019-20 onwards to enhance their knowledge base in a specific domain and employability. 'Minor' is a secondary area of study which students can opt either from their own discipline or any other discipline. A Minor is awarded to a student along with major discipline provided the student earns requisite credits from the prescribed basket of courses for that Minor. In all, 44 Minors have been introduced by various academic Departments as detailed below:

Academic Department	Minor
Department of Applied Chemistry	Minor in Chemical Engineering (For students of other Disciplines) Minor in Polymer Technology Minor in Petrochemical Engineering
Department of Applied Mathematics	Minor in Mathematics & Computing (For students of other Disciplines) Minor in Industrial Mathematics Minor in Computational Intelligence
Department of Applied Physics	Minor in Engineering Physics (For students of other Disciplines) Minor in Material Science & Engineering Minor in Photonics
Biotechnology	Minor in Biotechnology (For other Disciplines) Minor in Biological Computing Minor in Public Health
Department of Civil Engineering	Minor in Civil Engineering (For students of other Disciplines) Minor in Sustainable Infrastructure Minor in Disaster mitigation and management

Academic Department	Minor
Department of Computer Science & Engineering	Minor in Computer Engineering (For students of other Disciplines) Minor in Machine Learning
Department of Software Engineering	Minor in Software Engineering (For students of other Disciplines) Minor in Data Analytics
Department of Electrical Engineering	Minor in Electrical Engineering (For students of other Disciplines) Minor in Machine Learning for IOT Systems Minor in Power Electronics and Renewable Energy Systems
Department of Electronics and Communication Engineering	Minor in Electronics and Communication Engineering (For students of other Disciplines) Minor in VLSI Design Minor in Signal Processing & Machine Intelligence Minor in Advanced Communication Systems
Department of Environmental Engineering	Minor in Environmental Engineering (For students of other Disciplines) Minor in Environmental Remediation & Control Minor in Sustainability and Environmental Management
Department of Mechanical Engineering	Minor in Mechanical Engineering (For students of other Disciplines) Minor In Production Engineering (For students of other Disciplines) Minor in Automotive Engineering (For students of other Disciplines) Minor in Energy Technology Minor in Operations and Supply Chain Management Minor in Design and Automation Engineering
Department of Information Technology	Minor in Information Technology (For other discipline) Minor in Cyber Forensics & Cyber Laws Minor in Artificial Intelligence and Machine Learning
Delhi School of Management	Minor in Supply Chain Management Minor in Marketing Management Minor in Innovation and Entrepreneurship
Department of Humanities	Minor in Economics Minor in English
Department of Design	Minor in Industrial Design

Faculty and Research

The university has a very talented pool of experienced, as well as young faculty members who are highly qualified in their area of specialization and have very good national and international exposure. To encourage the students and faculty for research and innovation, the university has provisions like funding for students' innovative projects, financial assistance to students for attending internship overseas, research project grant to all faculty members etc. To celebrate the individual's excellence in research, the university offers **research excellence awards** to researchers in three categories of awards annually, namely, *Outstanding Research Awards, Premier Research Awards, and Commendable Research Awards*. The awards are open to all the researchers of DTU. In addition, university also recognizes excellence in teaching. The university has been granted with the Technical Education Quality Improvement Program (TEQIP) project by MHRD. The project provides funds to faculty and students to organize and attend various faculty development programs, seminars, and conferences.

Ranking and Rewards

The Institute is accredited with 'A' grade by NAAC (National Assessment and Accreditation Council) and has been accorded 12-B status by the University Grants Commission (UGC). Many of its UG engineering programmes are also accredited by the National Board of Accreditation (NBA). The University is consistently ranked among best 10 engineering institutions as per the various independent surveys on best engineering institutions of the country. The University has been ranked 5th by India Today's best technical university ranking 2021. The 2021 NIRF rankings placed DTU at the 36th position among the engineering institutions and at 42nd in the categories of universities. DTU has been ranked in the bracket of top 601-800 institutions in Times World Ranking of engineering institutions and 7th in India ranking in year 2021.

Campus and Infrastructure

DTU has 164 acres of a lush green, tech-savvy main campus, consisting of 16 academic departments, research centers, and residence for students, faculty, and staff. At present the university has more than 14,000 students in its undergraduate, postgraduate, and Ph. D programmes. DTU has a EDUSAT studio utilized for recording of lectures, events, and talks. Besides the main campus, the university has another campus located in East Delhi, offering BA (Hons.) Economics, BBA and 4 MBA programmes.

Computer Centre

DTU has a well-equipped computer centre to cater to the needs of students and faculty of the university. It is housed, in a magnificent state-of-the-art building having specialized laboratories to provide variety of platforms and computing environment for UG, PG students and research scholars. The centre possesses a number of servers and over 275 Dell intel core i5 computer systems. In addition, the centre has more than 15 servers hosting different applications such as websites & portals, SPSS, Mathematica, MatLab, DNS, LDAP, proxy, Email services, Network Monitoring System (NMS) etc. and 4 SUN CAD workstations meant for use by UG/PG/PhD students for their projects and research work. The centre is fully networked through high-end intelligent Avaya & CISCO switches, and possesses round the clock 10 Gbps NKN leased line, ISDN and a 200 Mbps leased line in a different pipe for the LAN wired & Wi-Fi connectivity for the academic, administrative and hostel blocks of the campus, with internet facilities on all the nodes. It also has the latest versions of compilers, scientific, technical and engineering software and training kits etc. for the students of various programmes.

Library and Knowledge Centre

Delhi Technological University library building is a four storied, esthetically designed, centrally air-conditioned structure with a seating capacity of 400. DTU Library with a collection of more than 2,00,000 text and reference books and a large number of e-journals, e-books, manuscripts in digital format, is one of the highly rich engineering library in the country. DTU Library provides remote access facility to all its readers through cloud based remote access software. The library also helps researchers to maintain due integrity and ethics by providing the facility of similarity check to avoid instances of plagiarism. It has a very active presence on Facebook. Various current awareness services and user information literacy programmes are continually organized throughout the year.

Outreach, Extension and Business Incubation Activities

The university has established many **centers like Center of Outreach & Extension Activities, Center of Human Resource Development** (HRDC) and **Equal Opportunity Cell.** The center of outreach & extension activities organizes a variety of activities for promoting public awareness, especially for deprived sections of society including awareness programmes on engineering for class X/XI/XII students. The HRDC center aims to upgrade and enhance the skills and knowledge of faculty at DTU. The university has also established the DTU Innovation and Incubation Foundation, pursuant to sub-section (2) of section 7 of the Companies Act, 2013 and rule 8 of the Companies (Incorporation) Rules, 2014. The center offers incubation infrastructure, including space, computing resources, connectivity, common tools, and environment for co-working, collaboration, and innovation. Currently, 14 teams are working in the Centre.

Sports and Other Outdoor Activities

The students of DTU are facilitated by excellent sports complex for indoor and outdoor games. DTU has 4 x 400m racing track, fields for football & hockey. A cricket pitch and courts for volleyball, basketball, tennis, badminton, along with facilities for indoor games. A well-equipped gymnasium is also available in the sports complex in addition to gymnasium facilities in each hostel. The university has engaged coaches in almost all the games to coach the students and nurture university teams. Students are encouraged to participate in various sporting events and tournaments held in, and around NCR of Delhi. From the academic year 2018-19, as per the revised curriculum, the university offers foundation electives to the students of first year and second year of B.Tech. programmes and in these sports have big share of electives.

Hostels for Men, Women and Health Centre

The University has 09 men and 06 Women hostels to accommodate 1289 male and 334 female students. Every hostel has its own common room and gymnasium. The hostels are connected via the campus-wide Wi-Fi as well as wired network, enabling the residents to browse the Internet and access online library resources for their academic and research-related tasks. DTU has a full-fledged health center where services of five medical practitioners and round the clock nursing facilities are available. Two new academic blocks and three hostel blocks are under construction which will cater to the academic infrastructure requirements for 3000 students. Further, the increase in hostel capacity will accommodate an additional 660 female students and 330 male students. The university has a health centre with OPC facilities in the area of medicine, ophthalmology, dentistry and physiotherapy.

Events and Festivals

The university organizes annual cultural, literary, sports and technical festivals. These festivals not only provide an opportunity to the students to connect with the professional world, but also an opportunity to display their creative and technical skills in several interesting events and activities organized during the fests. The ENGIFEST, one of the most popular student's cultural event of northern India, is the annual cultural extravaganza of the university and offers a good mix of literary, cultural, and entertainment events. The Invictus is annual technical festival of the university where all technical societies of the university host various technical events and competition.

Placements

DTU has been ranked higher than most of the top IITs in terms of placements and higher studies as per NIRF data. DTU was awarded 2nd highest score in graduation outcomes by NIRF rankings released by the ministry of Education (2019) and 4th highest in 2020. The university students are placed in reputed companies offering a promising and high-profile career in domains like core sector, software and IT services, research, consulting and analytics. More than 330 companies visited the campus in last academic year for campus placement and there were 1650+ offers with average package of Rs 12 lacs. Some of the top recruiters include Google, Amazon, Microsoft, Uber, Sprinklr, Uniqlo, Goldman Sachs, Qualcomm, Texas Instruments, Synopsys, SanDisk, Nvidia, Maruti, Samsung, Bain, KPMG, McKinsey, PWC, GAIL and L&T. These leading companies not only offer jobs to the final year students but they also offer paid internships to pre-final year students with highest stipend upto 2 lacs per month and average stipend of Rs 50,000 per month.

Fee Waiver Schemes and Scholarships

The university provides fee waiver to students with lean financial background. There is a provision of up to 100 percent waiver of the tuition fee component of the total academic fees for those students who fulfill the laid down criteria. In the last academic year, the university granted tuition fee waivers amounting to Rs. 5.97 crores. Further, a merit scholarship of Rs. 10000/- is awarded to the respective topper of all branches of B. Tech. programme. Also, the pre-final year B. Tech. students (toppers) of all the disciplines are eligible for scholarship of Rs. 10000/-, established by Oil and natural Gas Corporation limited. In addition to these number of other scholarships are on offer for meritorious students.

University Student Internship Program (USIP)

University has a provision for student's internships through the USIP in which the selected interns are assigned to various academic and administrative units. These student interns while assisting the various departments and units obtain hands on exposure to the working of the university. They are paid a stipend of Rs. 2500/- per month.

More information about DTU can be accessed at www.dtu.ac.in.

INDIRA GANDHI DELHI TECHNICAL UNIVERSITY FOR WOMEN (IGDTUW)

(Established by the Government of NCT of Delhi vide Delhi Act 9 of 2012)

(An ISO 9001:2015 Certified University)

Education | Enlightenment | Empowerment

A Country's progress is incomplete if the women are not empowered. Education is the first step towards it which makes women self-reliant and contribute towards the society. In May 2013, **Indira Gandhi Delhi Technical University for Women (IGDTUW)** was established and is now a completely self-reliant University imparting high quality technical education exclusively for Women on its Kashmere Gate heritage Campus situated in the heart of Delhi. In last seven years, the University has achieved a number of milestones, to name a few recent ones are:

- Ranked **2nd** (under Women Colleges and Universities) and in Band A (under Overall Ranking) in **Atal Ranking of Institutions on Innovation Achievements** (ARIIA)-2020 **Awarded by Hon'ble Vice President of India** on 18th August, 2020.

- Conferred with **FICCI University of the Year-2021 Award** for its **continuous commitment towards Quality Education.**

- Awarded the 2nd **fastest growing University** by India Today group-2021.

- Ranked in the band of 101-200 by prestigious *'Times Higher Education World Impact Rankings 2021'* for Sustainable Development Goal **(SDG-4 & SDG-5) i.e. Quality Education & Gender Equality**

- IGDTUW is the only Government University in India, selected by **QS I QUAGE for awards of E LEAD INSTITUTE** for E-Learning Excellence for Academic Digitization.

- Awarded with a **Diamond Rated University** through rigorous analysis against performance metrics by **QS I-Gauge** (Indian College & University Rating)

- Ranked **16**[th] **for Entrepreneurial Spirit** and **64**[th] **in Innovative University in World University Ranking Impact (WURI) 2021.**

IGDTUW functions efficiently as a Teaching & Learning, Research-Oriented Center in various branches of Engineering, Technology and Management promoting advancement and dissemination of research led knowledge among women from all over the country. It helps our country 'India' to meet the requirements of professionally skilled (with ethical values) women workforce in high-tech domains. The strategic intent (VMO) of the University is to foster industry relevant research and innovations and empower the women of our country through value based higher education making them Employable, Self-Reliant, Entrepreneurship Development, Responsible Citizen of the country with concern for Environment and Society.

The university is committed about developing Sustainable systems and State-of-the-Art infrastructure to enable the Indian women to become future Leaders, Managers, Researchers, and Productive Team Players in the field of Science, Engineering, Technology and Management.

Infrastructure and Transforming students into Leaders through Meticulous Programs

IGDTUW has a State-of-the-Art infrastructure comprising of modern well-equipped Labs, fully Wi-Fi enabled campus, Computer Centre, fully Automated Library, Auditorium, Multi-purpose Hall, Conference Room, Seminar Room, Hostels, Sports & Recreational Facilities, etc.

The university has worked hard to build a strong Academic Curriculum with a rich diversity of courses and is working towards new Academic Initiatives. Academic Innovations have always been topmost in the priorities of the University.

With globalization, today's graduates need to be flexible, to be able to learn quickly and to be able to innovate to produce products and services that can cater to local needs and global standards. The institute has designed the B. Tech. curriculum from the ground up to produce Technology-savvy Leaders and Designers for future India through the **Choice Based Credit System (CBCS)** based curriculum where student has freedom to study subjects of her choice.

Curriculum includes subjects from Departmental Core Courses, Departmental Elective Courses, Allied Elective Courses and Generic Open Elective Courses. Students can also join MOOC courses from NPTEL and others. Students can choose the **Project Track, Research Track or Entrepreneur Track** based on her interest for minor and major project work.

The curriculum has a broad base of courses in Architecture, Engineering, Management and Humanities. The syllabi are continuously updated and new courses are added from

time to time. Academic Council and the Boards of Studies have representations from industry in addition to academicians from top Academic Institutions. University is offering the following programs:

Under Graduate Programs:

- Bachelor of Technology (B.Tech.) in
    - Computer Science & Engineering
    - Computer Science & Engineering (Artificial Intelligence)
    - Information Technology
    - Electronics & Communication Engineering
    - Electronics & Communication Engineering (Artificial Intelligence)
    - Mechanical & Automation Engineering
- Six Years Dual Degree Bachelor of Mechanical and Automation Engineering (B.Tech.-MAE) and Master of Business Administration (MBA) with Exit Option after 4 years
- Bachelor of Architecture (B.Arch.)*
- Bachelor of Business Administration (BBA)

Post Graduate Programs

- Master of Technology in CSE (Artificial Intelligence)/IT (Cyber Forensics)./ECE (VLSI)/Robotics and Automation
- Master of Planning (Urban Planning)
- Master of Business Administration (MBA)
- Master of Computer Applications (MCA)

PhD programs in all Engineering Branches, Science and Humanities

*Note: For admissions to B.Arch. program, please refer to the Admission Brochure of B.Arch. Program of IGDTUW at www.igdtuw.ac.in

Ecosystem for Research

Research is an integral and most important part of IGDTUW. As a Technical University we are keen on promoting faculty and studentsz for research work.

a. **Promote Quality Research**

   i. **Research Incentives and Awards to celebrate exceptional performances:** Every year, faculty members/PG/PhD researchers are awarded with a Cash Prize & Award for outstanding contribution to Research.

   ii. **Research Awards for Students:** To boost the culture of Research & Innovation, students at UG/PG Level are bestowed with Cash Prize & Certificates for best paper publication.

   iii. **Research Grants:** IGDTUW provides **financial assistance** to all the faculties/students **to participate in conferences at National/International level.**

b. **Promote Sponsored Research:** IGDTUW has fetched more than 15 projects from Department of Science & Technology (DST), Ministry of IT & Electronics (MietY), Department of IT and Electronics (DietY), Ministry of Education (MoE) etc with the funding of more than Rs. 20 Crores.

c. **Centre of Excellence:** It is a matter of immense pride and honour for faculty and students of IGDTUW that the university is setting up following Centre of Excellence (CoE):

   i. **Centre of Excellence (CoE) in Artificial Intelligence:** IGDTUW has received a whooping grant of Rs. 8.5 Crores from DST for establishing CoE in AI.

   ii. **Centre of Excellence in Mechatronics:** IGDTUW has received a massive funding of Rs. 8.67 Cr, given by DKDF, Delhi Govt. for set up CoE in Mechatronics to promote research on Drones, Robotics and Industrial Automation.

   iii. **NIDHI TBI: Department of Science & Technology, GoI has sanctioned Rs. 6 Crores to accelerate & boost** Innovation, Entrepreneurship, Start-ups and Incubation related activities at the University Campus.

d. **Prestigious Collaborations:** IGDTUW has partnered with several industries for knowledge updation & bridging the gap between academia and industry. Few of these collaborations worth mentioning are: **NASSCOM & CISCO** for setting up of **thingQbator** Innovation Lab & **M/s Flour Daniel** for setting up Turning Lab (both under their CSR activities), **EATON Foundation** for Internship placement and scholarship to students, **IBM India Pvt Ltd** for academic growth and Technological advancement, **Amazon AWS, Ennoble IP, GiZ Germany,** etc.

Clubs and Societies: Students are encouraged to take part in various *curricular and extra-curricular activities, competitions, Hackathon etc.* On several occasions, they represented the university and won prizes and medals at National/International Levels and brought laurels to the university. The University has **Seven Technical Societies** like ACM chapter, IEEE, OSA, WiBD etc., **Fourteen Institute Level Societies** and **Four Clubs** focusing on various Technical, Art & Culture and Environment activities.

The Career Trajectory

IGDTUW Students Achievements are Unruffled during the pandemic while retaining & revitalizing the past glory, the girls have acquired remarkable offers from top companies like **Microsoft, Expedia, Goldman Sachs, Google, GE Digital, and many more**. The Placement Season for the batch 2020-21 started with the high note and **more than 90 companies (for IT, CSE, ECE)** and **more than 20 core companies (for MAE)** have visited the campus with **more than 700 offers** for IGDTUW Students.

In addition to this, 155 summer internship offers for third year girls and 159 offers for six month internship have been the icing on the cake of the girls.

The highest CTC of Rs. 59.45 Lakhs from Google and internship package of Rs.1.6 Lakhs per month from Uber was the highest in each category.

It is a matter of stupendous pride to share that compared to the last year, there has been a rise in average CTC from 13.3 Lakhs per annum to 19.15 Lakhs per annum and a rise in highest package from 43.3 Lakhs to 59.45 Lakhs.

Fee Waiver/Scholarships/ Financial Support:

Various Fee Waiver/Scholarships/Financial support schemes have been incepted in IGDTUW to motivate the meritorious students and to support the students from economically weaker sections.

- Students get benefit from various Government Schemes like Merit Scholarship, Merit-cum-Means scholarship, Post Matric Scholarship, Prime Minister Scholarship and others.

- Industries like Eaton, DLF, Nutanix and others also provide financial support to the meritorious students.

- Students are facilitated and supported to apply for Scholarships at Centre, their home State, Corporates. Further details are available on IGDTUW Website.

- 100% Tuition Fee Waiver to students having JEE Rank less than 5,000 *.

- 100% Tuition Fee Waiver to First Rank Holder of B.Tech Program in each department under EWS Category *.

Note: For details guidelines refer to university website.

Alumni Network

The University's Alumni Body is a vast and thriving community of Technocrats, Senior Executives, Successful Entrepreneurs,

and Leaders of Society. Internships with government bodies and various MNCs are encouraged for more holistic learning. An exhaustive list of Alumni is working at National/International Arena bringing laurels to the University.

IGDTUW alumni are working with many prestigious companies like Facebook, Microsoft, Adobe, Cisco, SAP Labs, Oracle, Qualcomm, Mahindra & Mahindra, General Motors, Cognizant, Aricent, Tata Consultancy Services, Yamaha Motors, Hindustan Unilever, IBM India, and many more.

Many Institute's Alumni are at the University of Johns Hopkins University, CMU, University of California, Berkeley, UCLA, New York University, University of Michigan, etc pursing higher studies.

For an Empowered Future

Anveshan Foundation recognized as NIDHI-TBI – Technology Business Incubator to boost start-up ecosystem.

Indira Gandhi Delhi Technical University for Women (IGDTUW) has promoted and incorporated a separate Section 8 Company **'IGDTUW Anveshan Foundation'** under the Companies Act, 2013 to propagate entrepreneurial culture and ecosystem among women.

All kind of facilitation (pertaining to the start-up ecosystem) in five phases of complete incubation and venture development cycle i.e. **i) Pre-incubation, ii) Incubation, iii) Acceleration, iv) Post-incubation and even v) Virtual Incubation** are provided by Anveshan Foundation.

Anveshan Foundation is conducting regular internships, pragmatic workshops and short-term courses on a) Start-up Management, b) Innovation & Entrepreneurship, c) Digital Marketing, d) Python, e) Family Business & Entrepreneurship and in many more technical and non-technical areas for confidence building among aspiring women entrepreneurs.

Incubation Center has also signed ten MoUs with other colleges, institutes and universities to facilitate and establish incubation centers in their premises and to accelerate and diversify businesses of their students and Incubatees through various channels.

Quote: *"Our vision is to make India a Knowledge Society and Economy by empowering the women of our country through education in Engineering, Science, Management, and Technology."*

INDRAPRASTHA INSTITUTE OF INFORMATION TECHNOLOGY (IIIT-Delhi)

(Established by the Government of NCT of Delhi vide Delhi Act 5 of 2008)

Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) was created by an Act of Delhi legislature empowering it to carry out Research and Development, conduct educational programs, and grant degrees. The General Council is the apex body of the Institute, chaired by Hon'ble Lt. Governor of Delhi and the Board of Governors is the policy and decision-making body of the Institute. The Senate is empowered to take all academic decisions.

IIIT-Delhi is a comprehensive research-led teaching institute where faculty, students, staff, and alumni work togethaer in a spirit of discovery and creativity to build a better world. The Institute emphasises quality education, curiosity-led research, and innovation leading to entrepreneurship. The teaching activities at the Institute derive strength from the cutting-edge research conducted by faculty, strong industry linkages, and international collaborations.

IIIT-Delhi has six academic departments - Computer Science and Engineering, Electronics and Communications Engineering, Computational Biology, Human-Centered Design, Mathematics, and Social Sciences & Humanities. Its research centres include the Infosys Centre for Artificial Intelligence, Centre for Design and New Media, Centre of Technology in Policing, Centre of Sustainable Mobility, Centre of Excellence for Light Fidelity, Centre of Excellence in Healthcare and DataKart Centre of Excellence.

IIIT-Delhi has set up a Technology Innovation Hub under the National Mission on Interdisciplinary Cyber-Physical Systems to catalyze state-of-the-art research, technology transfers, industry engagement, and entrepreneurial activities. IIIT-Delhi is also a part of the Delhi Science and Technology cluster and addresses some of the hyperlocal problems through research.

The Institute has a healthy innovation ecosystem leading to entrepreneurship. The IIITD-Incubation Centre is instrumental in driving the growth of entrepreneurial activities

at the IIIT-D campus, which includes providing incubation support, funding, infrastructure, mentoring, etc., to students, faculty members, alumni of the Institute, and other entrepreneurs working on technology start-ups. Funds from DST, MEITY, and the Delhi Government supports the Incubation Centre.

IIIT-D is committed to Sustainable Development Goals. In support of the Agenda 2030 for Sustainable Development Goals, the Institute hosts an Annual Conclave. The aim is to create a public platform facilitating discussion on the use of information technology for the sustainable development of the National Capital Region (NCR).

The Institute takes pride in maintaining a green campus and has been bestowed with the AICTE Clean and Smart Campus Award three times consecutively. IIIT-Delhi has a built-up area of 100,000 square meters. The academic campus includes a modern lecture hall complex, R&D Block, state-of-the-art classrooms, research labs, a Library and Information Centre, Incubation Centre, newly-constructed hostels for boys and girls to accommodate 1800+ students, and a dining and student activity centre, multiple eateries including a 24-hour canteen, and Faculty residence blocks. The campus also has a multipurpose playing field, a gymnasium, indoor badminton and squash courts, outdoor tennis courts, basketball and volleyball courts, and an indoor swimming pool. The academic complex incorporates several green-building features and is (provisionally) GRIHA rated, zero-discharge campus with sewage treatment plants, rainwater harvesting, heat pumps, and solar power plant on terraces of all new buildings.

IIIT-Delhi is committed to playing a scientific leadership role by creating new knowledge, defining the future of IT and allied areas, preparing leaders for tomorrow, and making a tangible impact for the betterment of society.

Vision & Mission of IIITD

VISION

The vision of the Institute is to be a world-class research-led institution of higher education in IT and allied areas which is:

1. Globally respected for research and education

2. Offers thriving UG and PG programs

3. Socially relevant, industry-facing, and globally connected

The Institute aims to encourage innovation and entrepreneurship in specified domain areas of IT. Towards this end, it plans to organize itself as a conglomerate of R&D Centres, some of which would partner with different companies and global organisations. The idea is to engage all Centres in teaching and thesis guidance. These Centres, with various labs, have the potential to become the hub of activity, with active contribution from faculty and students - B.Tech., M.Tech., and Ph.D.

MISSION

1. The mission of IIIT-Delhi is to be a global centre of excellence in Information Technology education, training, and research. Its twin aims are:

2. To carry out advanced research and development in information and software technologies and leverage IT in specific domain areas.

3. To train and educate engineers of outstanding ability at undergraduate and postgraduate levels to become innovators and new product creators.

Ranking and Accreditations

IIIT-Delhi is an accredited 'A' grade by the National Assessment and Accreditation Council (NAAC) and has been accorded 12-B status by the University Grants Commission. It is ranked #4 among all universities in India in the Times Higher Education World University Rankings 2021 and #4 among all technical schools in India in the Dataquest T-School Rankings 2021. The Institute was awarded 'Excellence in Faculty' in the 7th Higher Education Excellence Awards 2021 by the Federation of Indian Chambers of Commerce & Industry (FICCI).

Infrastructure & Facilities

IIIT-Delhi set up its permanent campus in Okhla Phase III in 2012 with the state of art infrastructure and all modern facilities to carry out world-class research.

The Institute has an auditorium and a total of 25 lecture halls of varying sizes. The auditorium has a capacity of 500, two big lecture halls with a capacity of 300 each, three lecture halls with each having a capacity of 160-180 people, four lecture halls with a capacity of 120 each, two having a capacity of 60, and fourteen with a capacity of 25-50 each. Two Faculty Housing Towers are having a Director's residence and 72 faculty houses. At present, there are four hostels, two for the boys having 508 and 454 beds, and two for the girls with 404 and 394 beds. Also, there are 22 married hostel accommodations available for married Ph.D. students. The hostels have options of single and double occupancy rooms, all of which are air-conditioned. All hostel residents are permitted to move around the campus at all times, and some of the study areas are kept open 24x7 for the benefit of the students. To provide 24X7 medical cover for our Faculty, Staff, and students, the Institute has set up an Infirmary in one of the girl's hostels. High-speed Internet connectivity is also available in hostels and throughout the campus. The Sports Block of the Institute also includes the Guesthouse, with 20 guest rooms and other sports facilities.

The Research & Development Block has over 100 faculty rooms and multiple research labs, Ph.D. rooms, M.Tech. Labs, Meeting Rooms, and Discussion Rooms.

The Library and Information Centre of the Institute is housed in a separate building on the campus. It is a user-focused Centre of learning resources that meets all the IIIT-Delhi academics and research fraternity requirements regarding teaching, research, and training programs. The Library is fully automated using RFID Technology with EM Security System. The Library has an enriching collection of print and electronic resources in all areas of interest.

The Dining and Recreation Centre contains the students' mess and facilities for extracurricular activities, such as a music room, art room, students' council room, etc., spread over three floors. Cafeteria, ATMs, a stationery store, a mother dairy outlet, juice centres, smart laundry, etc., are also available for the students in this building.

The Institute is equipped with a number of indoor and outdoor sports facilities. The Institute's new sports complex is equipped with a Badminton court, Table Tennis tables, Pool tables, Squash courts, Swimming pool, while Chess boards and Carom boards are available in the hostel common rooms. The Institute also has a multipurpose sports field, two Tennis courts, a football ground, a Basketball court, and a Volleyball field. Lighting facilities are available at all the courts. The Institute also provides a sports coaching facility for students; Institute Self-growth activities include active participation under various sports activities. The Institute's gym offers treadmills, a cross-trainer, a recumbent bike, an abdominal machine, and dumbbells. Gym trainers are also available during morning sessions. The Institute has a faculty residence area as well within its campus.

Academics

IIIT-Delhi currently has around 2500 students (around 1815 B.Tech., 445 M.Tech., and 240 Ph.D. students). The campus strength is expected to reach about 2800 with the conclusion of 2021 admissions. IIIT-D has gone a long way from having one B. Tech. Program in 2008 to seven in 2019.

IIIT-Delhi believes in giving its students opportunities beyond the regular classroom teachings. A significant amount of time and effort goes into designing each course taught at IIIT-Delhi in a manner that makes our students academically strong and helps them think out of the box.

The Institute currently has six departments offering 7 B.Tech., 3 M.Tech. and 6 Ph.D. programs:

- Computer Science & Engineering
- Electronics & Communications Engineering
- Computational Biology
- Human-Centered Design
- Social Sciences& Humanities
- Mathematics

Apart from these, IIIT-Delhi has Seven Research Centres:

- Infosys Centre for Artificial Intelligence
- Centre for Design and New Media
- Centre of Technology in Policing
- Centre of Excellence in Healthcare
- Centre of Excellence On Sustainable Mobility
- Centre of Excellence on Light Fidelity
- DataKart Centre of Excellence

IIIT-Delhi offers programs in CSE, ECE, and CS+X disciplines. Some of the B.Tech. programs of IIIT-Delhi are also open for Non-Science students with Mathematics in class XII. IIIT-Delhi follows a choice-based credit system in all its programs. All the programs offer great flexibility to the students to pursue courses from different disciplines. Curriculum flexibility also allows students to pursue online courses, spend a semester at another university, indulge in research work, etc. Students are also required to do Self Growth and Community Work as a mandatory part of their B.Tech. degree.

Faculty

The standard of education of an institution is mainly dependent on the quality of its faculty. All regular faculty members of IIIT-Delhi have a Ph.D. degree from reputed universities worldwide or top institutes in the country. Most faculty members have post-doctoral experience from abroad and regularly collaborate with researchers across the globe. IIIT-Delhi follows a tenure-track system, which is in line with the recommendations of the National Education Policy 2020.

IIIT-Delhi is a research-led teaching Institute that encourages faculty members to conduct cutting-edge research focused on solving societal issues. The Institute offers different types of faculty fellowships, initiation research grants, sabbaticals, etc., to the faculty to pursue their research interests. It also provides enabling mechanisms to take up deep-tech entrepreneurial ventures. Internal workshops are conducted among faculty to exchange ideas regarding good teaching practices. This allows the faculty members to try new approaches for revitalizing teaching effectiveness and improving pedagogy, keeping the learning needs of students in focus.

Apart from educational and research pursuits, the faculty of the Institute actively contribute to national and global professional services in various ways. Many of them are members of various national committees, are editors of journals, and serve on the technical program committees of national/ international conferences. They also review manuscripts for research publications in journals and conferences. Entrepreneurship

and intrapreneurship are encouraged among faculty, and over 15% of the faculty members are engaged in entrepreneurial activity on campus. Regular feedback for professional growth is provided to faculty members through annual reviews. The Institute underscores the importance of recognizing talent and gives teaching excellence awards and research excellence awards to faculty members who excel.

Research

IIIT-Delhi has always emphasized bringing real-world relevance into the classroom and has encouraged faculty members to work with industry and government partners on sponsored research.

The faculty members of IIIT-Delhi are involved in collaborative research, funded both by national and international agencies and industry partners. The Institute has set up modern laboratories and supporting infrastructure to carry out cutting-edge research. The faculty members continuously involve students in the projects to provide them an edge over other researchers regarding hands-on practical application in solving real-life issues. Sponsored research projects have also emerged as a crucial factor in creating the research infrastructure while strengthening the facilities in emerging technology areas.

These projects and assignments require a fair amount of scientific and technical inputs from the faculty and staff of the Institute. The students also get trained in the process of tackling practical problems.

The Institute recognizes that knowledge and expertise are essential for solving pressing technological issues relevant to industry requirements and is committed to working towards matters of national concern.

In the financial year 2020-21, the Institute has received funding of around Rs. 33 Cr. for 60 projects.

Cutting-edge research is carried out both within disciplines and at the interface of domains. One of the parameters to test the efficacy and impact of the research work carried out at the Institute is its applicability to relevant problem-solving. The faculty members at IIIT-Delhi regularly undertake R&D projects sponsored by government agencies, industries, or other institutions to generate new knowledge, develop new technological processes, and create new products. The faculty members and students working on these sponsored research projects help delineate the difference between engineering and technology to make the maximum impact.

Vibrant Student Life

Students take part in a number of social and cultural activities. If they want to pursue a hobby, they just need to find some like-minded people to start their own club (if not already in existence). IIIT-Delhi has a very active student club and organizational system that students can access through the Institute website. All students are strongly encouraged to pursue club membership opportunities to help them enrich their college experience. The Institute has more than 25 active clubs already in existence at IIIT-Delhi. Some of these are Quiz Club - Trivialis, Drama Club - Machaan, Astronauts Club, Dance Club - MadToes, Byld, Women in Tech(WiT), Music Club - Audio Bytes, Photography Club - Tasveer, the Literary Club, Computer Security Club, FooBar, Virtuality Club, Cyborg Club, Evariste Club, Meraki Club, Muse, Math club, IEEE and many more

The campus is the host of numerous academic, socio-cultural, and sports events.

- ESYA: the technical fest of the institute with an approximate footfall of more than 5k students

- Odyssey: the cultural fest of the institute with an approximate footfall of more than 10k

- Book exchange week

- TedX@IIITD Hackathons
- Sports tournaments like Triquetra
- Community activities like blood donation camps, tree plantation drives, summer camps, etc.
- National festivals are celebrated in the campus with great zeal like Diwali, Eid, Christmas, Halloween, Holi, Republic Day, etc.

Placements

Placement results in the year 2021 have been excellent. By getting 94% of B.Tech. and M.Tech. students' jobs and internships of their dreams, IIIT-Delhi placement cell outdid themselves. The highest package offered is 50 LPA, and the average compensation is 16.56 LPA. The campus hosted 145 companies this year, and the students received 618 offers. Out of which, 474 were full-time offers, and 144 were long internships. Around 80% of students received an annual package of more than 11LPA.

This year's performance was much better than the last year, despite the pandemic. Last year the highest package was 43.31 LPA, where 111 companies came to the campus, and students received 321 A+ offers. Considering the rocky job market, they had set a modest target of 70-75%, but the collective hard work of students, teachers, and the placement team contributed to overshooting their expected numbers.

Out of a total of 438 eligible students, 412 were placed. Big brands like Google, Microsoft, Adobe, Qualcomm, Nvidia, NetApp, Tower Research, Cadence, Oracle, Rippling, Linked In, etc., visited the campus this year. The first time, recruiters like Benovymed, Oracle, Curefit, etc., were impressed by students and offered attractive packages and profiles.

The top brands in the world where the students dream to work offered internships to students. These brands include – Microsoft Research, Rippling, Morgan Stanley, Adobe, Amazon, and more.

The Institute always accentuated the importance of higher education. Every year, many students go for higher studies in some of the best academic institutions globally. In 2021, a significant number of students went on to pursue their higher education. About 15 students from the graduating batch 2021 opted for higher studies. Our alumni are pursuing their higher studies across top overseas universities like Harvard University, Georgia Tech, University of Illinois, Urbana-Champaign, University of California, Johns Hopkins University, University of Maryland, University of Virginia, University of Kansas, the University of Texas at Austin, etc.

Fee Waiver Schemes

IIIT-Delhi has Income Linked Fee Waiver Scheme for economically challenged Delhi students. Under this scheme, the students whose parents are below the poverty line are given a 100 percent waiver in fees. There are two other categories as well for 50 or 25 percent fee waivers. Students are also eligible for the government's Merit-cum-Means scholarship.

In addition to the fee waiver schemes and scholarships, IIIT-Delhi also provides a Merit-cum-Means "IGL Scholarships" for B.Tech. students established by Indraprastha Gas Limited in 2018. The scholarship aims to support seven meritorious B.Tech. students from economically weaker sections each year. These students are provided with a sum they can use to pay a part of their fee or buy books or other study-related material.

The Institute is moving forward as a community and is firmly on the path towards sustainability and transformation, thereby becoming a globally respected and recognized institution. The management is committed to achieving specific goals to create an environment wherein intellectually capable, innovative, and entrepreneurial professionals are nurtured and trained to work unceasingly to serve the nation and society.

NETAJI SUBHAS UNIVERSITY OF TECHNOLOGY (NSUT)

(Formerly Netaji Subhas Institute of Technology)

(Established by the Government of NCT of Delhi vide Delhi Act 06 of 2018)

Netaji Subhas University of Technology (NSUT) is a seat of higher technical education in India. It was established in 1983 in response to the rising demands of human resource in engineering and technology with a close social and industrial interface. Over a period of time, the University has carved a distinct niche for itself, both nationally and internationally.

Govt. of NCT Delhi has expanded the NSUT in 2020 further into two more campuses namely

East Campus (Formerly Ambedkar Institute of Advanced Communication Technologies & Research) at Geeta Colony and West Campus (Formerly Ch. Brahm Prakash Government Engineering College) at Jaffarpur. The Main Campus of University is located at Sector-3 Dwarka, having a lush green campus spread across 145 acres, to house a diverse community of students, faculty, staff and visitors. A total of **thirteen academic departments** work

in concerted awareness to ensure that students receive the highest possible quality education with wide assimilation.

NSUT continues to be a prominent place in popular surveys. The University has been ranked among the top engineering colleges including the IITs and NITs. An amalgamation of its efforts to maintain this benchmark has steered NSUT towards reaching newer and bigger goals. The students have won laurels for their alma mater in several national and international competitions. Year after year, students have availed internships (in MNCs, PSUs and foreign universities). A number of students of NSUT have also been offered admission in the MS/MBA programs in some of the most prestigious universities across the globe. This provides them with an exposure to the world beyond and helps them to imbibe variegated learning experience. Students have also succeeded in getting their research papers published in reputed international journals and conference proceedings every year. The University is a signatory of MoUs with over a dozen international universities and organizations.

Vision & Mission of NSUT

VISION

To be a premiere University of global recognition that provides excellence in Education, Research and Development, to create potential innovators and leaders to serve Society and Nation.

MISSION

To promote academic growth by offering state-of-the-art Undergraduate, Postgraduate and Doctoral programs and to impart emerging and new knowledge in Research & Development.

To identify the thrust area of specialization in edAucation based on perception of Regional and National as well as global needs.

To undertake collaborative projects which offer opportunities for long term interaction with leading Academia and IndustriAes to cater to the needs of the Society and Nation.

To foster human potential by inculcating responsible behavior, Environment, improvement, Ethics, Innovation and Entrepreneurship.

PROGRAMMES OFFERED

The Main Campus of University offers 13 B.Tech, 11 M.Tech, 2 MBA and 2 M.Sc. programs. Besides this, it offers Bachelors in Fashion Technology and Business Administration.

The East Campus offers 3 B.Tech and 4 M.Tech programs.

The West Campus offers 3 B.Tech and 1 M. Tech. programs. Besides this it offers Bachelor of Architecture (B.Arch.) course

The University also offers Ph.D programs in engineering, sciences, management, humanities and social sciences. NSUT has implemented Choice Based Credit System (CBCS) for selection of subjects to the students. It includes Core courses, Foundation courses and Elective courses.

Details of B.Tech. programs in NSUT are as given below

Programme Name	Programme Code	Number of Seats
NSUT, Main Campus, Dwarka		
Bio-Technology	BT	75
Computer Science and Engineering	CSE	180
Computer Science and Engineering (Artificial Intelligence)	CSAI	120
Computer Science and Engineering (Data Science)	CSDS	60
Electrical Engineering	EE	150
Electronics and Communication Engineering	ECE	180
Electronics and Communication Engineering (Internet of Things)	EIOT	60
Information Technology	IT	120
Information Technology (Network and Information Security)	ITNS	60
Instrumentation and Control Engineering	ICE	150
Mathematics and Computing	MAC	75
Manufacturing Processes and Automation Engineering	MPAE	75
Mechanical Engineering	ME	150
NSUT, East Campus, Geeta Colony		
Computer Science and Engineering (Big Data Analytics)	CSDA	60
Electronics and Communication Engineering (Artificial Intelligence and Machine Learning)	ECAM	120
Computer Science and Engineering (Internet of Things)	CIOT	60
NSUT, West Campus, Jaffarpur		
Civil Engineering	CE	60
Geoinformatics	GI	60
Mechanical Engineering (Electric Vehicles)	MEEV	60

NSUT offers its B. Tech. students the option of Minor degree in various disciplines. **Minor degree** refers to a supplemental second discipline of study and concentration that often complements the major. Some students use a minor degree to pursue personal interests, while other students may pursue a minor to gain specific specialization and make themselves more attractive to employers. University has laid out a framework of required courses a student is required to complete to earn their selected minor.

Minor degrees offered by various departments of NSUT are as given below.

Department	Minor Degrees
Electronics and Communication Engineering	Communication and Networking
	RF Microwave and Signal Processing
	Microelectronics and Embedded Systems
Computer Science and Engineering	Artificial Intelligence
	Data Science
	Software Designing and Development
Information Technology	Network Computing and Security
	Machine Intelligence and Data Analytics
Mechanical Engineering	Automobile
	Computer Aided Design
	Robotics and AI
	Manufacturing & Industrial Engineering
Instrumentation and Control Engineering	Biomedical Instrumentation
	Robotics and AI
	Intelligent Control
Electrical Engineering	Renewable Energy Systems
	Power Systems
	Power Electronics and Electric Drives
Biological Sciences and Engineering	Health Technologies
	Agriculture and Environment Technologies
Civil Engineering	Geoinformatics

For example, an ECE/ICE/EE/ME/BT etc. student may earn minor in Data Science/ Artificial Intelligence or any other of his/her choice by clearing the requisite number of courses of the selected minor. In a similar way, a CSE student may earn minor in Robotics/ Health Technologies or any other of his/her choice.

Research

The faculty and students at NSUT are active in research areas such as Analog Signal Processing, VLSI, Wireless and Optical Communications, Image Processing, RF and Microwave Engineering, Computer Networks, Artificial Intelligence, Data Science, Software Engineering, Soft Computing, Robotics, Industrial Engineering, Composites, Welding,

Modern Methods of Manufacturing, Industrial Engineering, Process Control, Renewable Energy, Power Electronics, Hybrid Energy System, Bio-medical Instrumentation, and Intelligent Control. The faculty members have published more than 1200 research papers in reputed international journals and conferences since 2016. They have also won several awards for their research contributions.

Student's achievements

The University students have been a regular recipient of accolades at various International events and competitions. CANSAT - Team Kalpana-1, an undergraduate student's team, reached the finals of CANSAT Competition 2018 conducted by American Astronautical Society (AAS) and NASA by securing a

percentile rank 7 out of 165 teams worldwide. A Delegation of students from NSUT was awarded the Outstanding Delegate accolade in World Health Organization and the Diplomatic Mention award in GA - SPECPOL at the 64th edition of Harvard National Model United Nations in 2018. Team Ares, a team of space enthusiasts, qualified for the European Rover Challenge 2018 which was conducted by the Mars Society & The European Space Society and is the first and only Indian team to qualify in their first attempt. Venture Deeproots, a company that makes Computer Vision based Intelligent Platform, won the award for the 'Most Investable Idea' at YSIF, Peking University, Beijing. It was the only Indian enterprise to be selected among 35 excellent ideas presented at the summit.

Campus Facilities

The University Campus has Medical Facility (including Physiotherapy and Homeopathy), Power backup, Incubator centre (for students, alumni and faculty), yoga & meditation Centre, Gym facility, University management system, university networking system, internet facilities, broadband facilities, fully Wi-Fi campus, CCTV cameras, bio metric system, Student Activity Centre, sports complex, Two banks, ATM, beautiful horticulture department & landscaping lawns and a shopping complex. A prominent feature of NSUT's campus is the vast expanse of flora & fauna that envelopes its entirety.

Placements

The past performance of the outgoing batches has done us proud. In the past, eight students have been offered an annual package of Rs. 1.25 crores by Google. Apart from that, various companies like Goldman Sachs, Intuit, Microsoft, Amazon, Walmart, Linkedin, Tower Research, Adobe, Direct I among others have been visiting NSUT regularly for placements and the number of companies has been on the rise ever since. A number of PSUs have also visited the University and have been

recruiting regularly. NSUT has also witnessed its alumni become administrators by bagging Ranks 1 and 3 in the UPSC examinations.

Incubation and Innovation Foundation (NSUT-IIF)

NSUT has Incubation and Innovation Foundation (NSUT-IIF) within the university campus. It was opened to incubate startups of NSUT students, alumni, faculty of NSUT, any other incubatee under the guideline of Delhi Government at NSUT for two years with seed money/funding from the NSUT-IIF. Netaji Subhas University of Technology won the first prize in the category "Institution Supporting Startups" sponsored by Niti Aayog and All India Council for Technical Education (AICTE). NSUT IIF provides a host of support services to start-ups and organizes selection of newer incubatees. Some of the startups incubated by NSUT IIF are Zalonin, Vkarma, CacheFi and Bonfarmo. Various societies at NSUT like IEEE, SAE, ISA, CSI, and CEDT Lab at NSUT have helped students learn skills to develop technology based projects.

Central Library

NSUT Central-Library is the heart of University. It functions from first & mezzanine floors of centrally air-conditioned Library building having plinth area of 2000 square meter. It is the largest library in the cluster, 'Delhi Government Library Network' of 'A Digital Agenda for Automation and Networking of Government Libraries from NIC'. It works to meet and promote the needs of print/ electronic publications for teaching, research, training and working of each member of the University to ensure quality education & development of the nation. The automated and personalized library services are provided to each user through his/her mobile phone.

Sports Activities

NSUT offers state of art facilities in the domain of physical education, providing, fully air-conditioned Gymnasium with all the

latest fitness and strength equipments, air-conditioned facility of Billiards, Pool Table and Table Tennis, indoor Badminton Court, International Size Cricket Ground with three Center Turf Pitches, Practice cricket Nets, Basket ball Courts, Volleyball Courts, Lawn Tennis Courts, 400 meter cinder Running Track, International Size Football Field. The students of NSUT participated at the various North Zone Inter University, All India Inter University Tournaments and various other national level tournaments organized by IITs, NITs and other professional Institutions. Besides participation at various sports, the Department also organizes various Inter College and Inter University Tournaments. The University is running the Foundation Elective (Sports -01 and Sports-02) course under CBCS scheme under the Department of Personality Development. The university provides professional coaching to the students of the university through professional sports coaches.

Societies and Clubs

To inculcate team values and nurture the talent of students, various university level societies and clubs are active in the campus like Technical Societies, Non-Technical Societies, Recreational Clubs, Literary Clubs, Automotive Clubs and Community Service Initiatives.

Fee reimbursement and Incentives

NSUT has introduced the fee reimbursement for top ranking students admitted in University and the financial assistance for financially weaker students as per Chhatra Vittiya Sahayta Evam Protsahan Kosh (CVSPK) Scheme-2020. This Scheme also has the provision to give incentives for joining Defense Services or IIMs or top ranking Universities of the world, and also for selection in national level competitive examinations as GATE and UPSC. More information can be accessed at university website.

East Campus

The Campus is located at Geeta Colony, East Delhi having an area of 8.5 acres in which a state-of-art campus with ultra-modern facilities and lush green ambiance all around is built. It has four academic departments, decorated with highly educated faculty members and well-equipped laboratories. This campus is well connected to the city transport system like city-bus, metro etc. and has the facilities like centralized air conditioning in all the labs, RO system for drinking water, well equipped library, centralized computer centre, playground, rain harvesting system, nursery etc.

West Campus

The Campus is located on the outskirts of South-West Delhi, which is approximately 8 Km. from Najafgarh & about 15 Km. from Dwarka Mor Metro Station. A large number of buses ply on this route and the construction of Delhi Metro is also advancing closer to the Campus. It provides adequate opportunities to budding engineers and makes them ready to be adequately shaped for taking the challenges of evolving national and international engineering market. All the laboratories are well equipped. Since 2015, an English Language Laboratory has also been added where mock interviews, group discussions, lectures etc are conducted for the students. There is the summer and winter training programs for all the students such as survey camp for the Civil Engineering students so that their field surveying skills can be honed.

The University has grown in leaps and bounds, since its inception, both in size and its scope of activities. The overall environment has been nourishing excellence in education, research and personal development of students and faculty members. All in all, the NSUT is doing its country proud.

DELHI SKILL AND ENTREPRENEURSHIP UNIVERSITY

(A State University Established under Govt. of NCT of Delhi Act 04 of 2020)

Head Office: DSEU Dwarka Campus (formerly known as Integrated Institute of Technology)
Sector 9, Dwarka, New Delhi – 110077

The Delhi Skill and Entrepreneurship University (DSEU) has been established through an act of the Legislative Assembly of the National Capital Territory of Delhi, namely the "Delhi Skill and Entrepreneurship University Act, 2019" (Delhi Act 04 of 2020) to provide quality education in applied sciences and skill education. The University aims to equip students with world-class skill education to enable access to aspirational jobs and inculcate entrepreneurial mindset and entrepreneurship.

DSEU shall create a win-win for the youth and the industry by filling the existing gaps in skill training. Building on the education philosophy of thinkers such as Mahatma Gandhi and Vinoba Bhave, DSEU aims to integrate the use of the hand, head, and heart for balanced living and engagement in lifelong learning. The focus will be on teaching both self-reliance for life-long independence and the wisdom towards nurturing and valuing interdependence.

The University wishes to change the existing paradigm of skilling, making skill acquisition aspirational and providing opportunities to all for skilling, up-skilling and reskilling. Besides, DSEU will support and nurture entrepreneurs and provide quality mentorship to steer the entrepreneurial journeys of those interested,

by providing incubation, and handholding. The University will offer courses to people from all walks of life and empower the marginalized and minority groups by providing them with an opportunity to attain world-class education. The University aims to develop aware and well-rounded citizens.

The course curriculum offered at DSEU will be inspired by industry requirements and will help graduates to be career-ready. Holistic development at affordable costs will be the aim of the University while also ensuring that no student is denied admission due to lack of their ability to pay. The University will provide opportunities of scholarships, freeships and financial assistance for getting loans and support from the Delhi government schemes for higher education.

Vision & Mission of IIITD

VISION

Set the standards for skill and entrepreneurship education

Procedure of Online Registration

4.1 Online Registration and Counselling Fee Payment

All candidates desirous of seeking admission to the engineering programs at DTU, IGDTUW, IIIT-D, NSUT and DSEU are required to visit website www.jacdelhi.nic.in and fill online registration form, pay a non-refundable registration-cum-counselling fee of Rs.1500/- (plus transactions charges as applicable) and fill the choices.

INSTRUCTIONS FOR ONLINE REGISTRATION

(Online Registration is allowed as per counselling schedule only)

i. The candidate will initially authenticate himself/herself by entering following details of JEE application:

- JEE (Main) 2021 application number

- Name (as per JEE admit card)

- Date of Birth (as per JEE application)

If entered details match with JEE 2021 data, candidate will be asked to enter his/her email ID and mobile number. A verification code will be sent to candidate's mobile and email ID for verification. After verification of email ID/mobile, candidate can create his/her password for JAC Delhi portal. JEE (Main)-2021 application number will be the "User ID" for the candidate. Candidate shall choose a suitably strong "Password" for subsequent logins to this counselling website. Also, he/she shall choose a security question which shall be used to retrieve the password in case he/she forgets his/her password. Candidates must ensure that **Mobile Number and Email Address** provided by them must be valid and should belong to the candidate or his/her immediate family members. These will be used by JAC Delhi for all future communications with the candidate.

ii. It is in the interest of candidate to remember his/her Password and keep it highly confidential, to avoid misuse by other candidate, for which JAC shall not be held responsible, in any manner.

iii After successful authentication and verification of email ID/mobile, candidate needs to complete JAC Delhi application form in steps.

iv. Candidate must ensure that the **BANK ACCOUNT** details filled by him/her at the time of registration must be valid and should **BELONG TO THE CANDIDATE OR HIS/HER IMMEDIATE FAMILY MEMBERS. It may be noted that refunds (if any) by JAC Delhi, will be made in this account only irrespective of the account through which the online payment was made by the candidate.**

v. While filling the online application form, candidate will also enter details about claim of bonus point (for IIITD).

vi. On completion of application form, candidate needs to upload all relevant documents as per his/her

category/sub-category. Medical certificate (format in section 7.2) can be submitted at the time of joining the university/institute.

Candidates will be asked to upload following documents at the time of registration on JAC Delhi portal:

a. Marks sheet of the qualifying examination, i.e. Class XII or equivalent.

b. Certificate of High School or equivalent examination (i.e. Class X) as a proof of Date of Birth.

c. Bonus point document(s), if eligible for IIITD bonus point.

d. Reserved category / sub-category Certificates.

e. For PD sub-category:

   i. A certificate of physical disability issued by the Competent Authority as per the provision of the Persons with Disabilities Act 2016 in the prescribed format as given under the Act.

   ii. The Candidate with benchmark disabilities shall produce the medical certificate issued by the Govt. Hospitals duly notified by the Govt. of NCT of Delhi/ Other State government and further duly verified by the Chief Medical Officer of the concerned Government Hospital.

   iii. A certificate, duly recommended by any of the Vocational Rehabilitation Centres for the handicapped, including Vocational Rehabilitation Centre for the handicapped, 9-11 Vikas Marg, Karkarduma, Delhi 110092, established by the Ministry of Labour and Employment.

f. For Defence (CW) sub-category, candidate needs to submit all the documents/certificates specified corresponding to the priority applicable to him/her, combined in a single pdf file.

g. Kashmiri Migrant (KM) candidates must upload/submit all the documents/certificates specified corresponding to the priority applicable to him/her, combined in a single pdf file.

vii. Once application form is complete in all respect and all the required documents have been uploaded, candidate needs to confirm his/her registration form. The candidate will not be permitted to edit/change details filled in the registration form once the candidate confirms registration form. If candidate leaves the form incomplete, he/she can continue filling application form through JAC Delhi portal login.

viii. **Once the application form is completed and confirmed by the candidate, he/she will have to pay a non-refundable registration-cum-counselling fee of Rs. 1500/-. In case, the amount is debited from the candidate's bank / card account but it does not reflect in candidate login or transaction is failed, the amount will be refunded to the same bank / card account automatically by the payment system within 7 working days.**

ix. If payment fails, the fee should be paid again for registration without waiting for the refund. The candidate may inform JAC Delhi by sending an email to payments. jacdelhi@gmail.com providing the candidate's details (JEE Main Application Number, Name, Mobile Number, Date and Time of Transaction).

x. Candidates need to fill the choices for seat allotment, which is discussed in next section.

xi. Candidate has to take the printout of the registration form signed by Guardian / Parents and Self, which has to be submitted at the time of admission/reporting in the institute.

Please Note:

i) After successful registration and fee payment, candidates are required to visit the website www.jacdelhi. nic.in again and fill choices for seat allotment.

ii) After completing the application form successfully, if candidate does not pay the registration-cum-counselling fee of Rs. 1500/-, he/she will not be considered for any seat allotment in any round of the counselling.

iii) Registration fee can also be paid in cash by selecting "payment in cash/payment at SBI branch" during payment mode selection on payment page opened while clicking on payment option. After selection this payment option, candidate must fill up the mobile number and email ID and then print a challan generated by payment system. Candidate must deposit the fee in cash using printed challan at any branch of SBI.

iv) No other mode of payment will be accepted for submission of registration-cum-counselling fee.

4.2 Choice Filling, New Registration in Subsequent Rounds and Change of Choices

a. **Online Choice Filling:**

i. Having completed the registration process and paid the counselling fee, the candidate shall login to the website http://www.jacdelhi. nic.in using JEE main 2021 application number as login ID and a password created during registration process.

ii. Choice filling option will be available in 'candidate login'. As per the eligibility of the candidate, available seat information relating to University/Institute and Programmes will be displayed. Candidate can select choices one by one from list of available choices and can add it to his/her preference of choices. Preference of choices can be rearranged by moving a filled choice up/down in the preference list. Candidate can also remove a filled choice from his/her preference list.

iii. Candidates can fill in as many numbers of choices in the order of preference as they wish to fill, from the list of available choices.

iv. The registered candidates are required to see the fee structures and available branches of each university/ institute before filling the choices.

v. **It is in the interest of the candidate to fill maximum number of available choices so**

as to benefit from upgradation of seats, during any rounds of counselling. Only admitted candidates will benefit from seat upgradation prior to the spot round.

vi. Editing of choices are permitted during entire duration of registration window. All the registered candidates can edit their filled choices whenever new registrations are permitted in subsequent rounds.

vii. **Preference of choices will be locked automatically once registration period is over.**

viii. Candidate has to take the printout of the filled choices once registration is closed.

b. **Login to the Candidate's Account on JAC website**

After successful login, candidate's homepage is opened and following options are displayed:

i. **Registration Details:** Registration Detail is important for seat allotment and should be filled very carefully.

ii. **Edit Registration:** Any mistake can be corrected in the above through "Edit Registration" option only if the candidate has not confirmed his/her registration.

iii. **Bonus Points (for IIITD):** Candidates eligible for IIITD bonus points should fill these details carefully and upload the documents claiming the bonus points for online verification. [Refer 5.1(b)]

iv. **Fill Choices:** As per the eligibility of the candidate, available seat information relating to University/Institute and Programmes will be displayed. Candidate can select choices one by one from list of available choices and can add it to his/her preference of choices. Preference of choices can be rearranged by moving a filled choice up/down in the preference list. Candidate can also remove a choice from his/her preference list.

v. **Display Filled Choices:** Choices entered by the candidate will be displayed so that he/she can check the already entered information. Candidates are advised to fill maximum number of choices to increase their probability of early seat allotment. Once admitted, the seat may get upgraded during subsequent round of counselling depending upon the availability of vacant seats and the submitted choices.

vi. **Provisional Seat Allotment Letter:** A provisional seat allotment letter can be downloaded after declaration of seat allotment result of a round. This letter clearly indicates institute and category/subcategory of allotted seat.

vii. **Admission Confirmation Status:** If seat is allotted to the candidate, and admission fee is paid by the candidate, admission committee will verify the uploaded documents and confirm the admission. Status of confirmation of admission will be made available in 'candidate login' of the candidate.

viii. **Links to Pay Various Fee:** Links for all fee payments, including the Registration Fee, Admission fee Phase II participation fee, etc. are made available to the candidates as per counselling schedule.

ix. **Provisional Admission Letter:** Once admission committee confirms the admission of the candidate, candidate can download his/her provisional admission letter.

c. **Choice Locking & Printing of Locked Choices**

   i. Choices filled by candidates will be locked automatically for that particular round after the registration period of that round is over. However, a candidate can change his/her choices during specified windows after every round as specified in the counselling schedule.

   ii. Candidates have to take the print out of the filled choices only after closing of choice filling.

d. **New Registration:** New registrations will be allowed after completion of each round Phase I (Round1 to Round 4) and Phase II (Round 5) strictly as specified in the counselling schedule. A candidate, who wants to register afresh for JAC Delhi 2021, must follow the instruction mentioned in Section 4.1 & 4.2 (mentioned above).

A candidate registering in later rounds will not hold any right to claim the seats allotted to any other candidates, who had participated in earlier rounds. The allotment of a seat, to the newly registered candidate, will be done purely upon the Common Rank List (CRL) Rank and IIITD rank (in case of IIIT-D) and the availability of seats in subsequent rounds.

e. **Change of Preferences of Choices:** The choices initially filled by the candidate during the registration will remain valid throughout the counselling process unless altered/changed by the candidate during the subsequent rounds.

Note: JAC Delhi 2021 will not be held responsible for a candidate's lack of awareness of the schedule for change of preference of choices.

4.3 Allotment of Seat and Result Declaration

a. **Allotment of seat (B. Tech.) and Dual Degree (B.Tech. + MBA):** After completion of choice filling period, the filled choices of all registered candidates will be processed for allotment of seats as per Common Rank List (CRL) Rank in Paper-I of JEE (Main) – 2021 for DTU, IGDTUW, NSUT, DSEU and as per IIITD Rank for IIIT-D [merit criteria to arrive at IIITD rank is explained in Section [5.1(b)].

b. **Result Declaration:** Result of seat allotment in various rounds will be declared as per the Counselling Schedule. The selected candidate can view/print the provisional seat allotment letter after logging into his/her account on the website www.jacdelhi.nic.in.

4.4 Online Reporting

a. **Online Reporting and Admission Fee Payment:** A candidate, who is allotted a seat in a particular round, in any of the participating Universities / Institutes, is required to pay the initial amount of admission

fee of Rs.1,12,000/- (Rupees One Lac Twelve Thousand only) as per the specified schedule through **ONLINE FEE PAYMENT GATEWAY of JAC Delhi 2021.**

If the candidate is allotted a seat in a particular round and he/she does not pay/ fails to pay the required admission fee as per counselling schedule, his/her allotted seat shall be cancelled and he/she will not be considered for any seat allotment in subsequent rounds upto Round 4. A candidate can initiate the admission fee payment process after logging into his/her account on JAC website www.jacdelhi.nic.in. Fee payment link will be made available in 'candidate login' immediately after declaration of seat allotment results of a round.

NOTE:

Candidates should note that admission fee will not be accepted in the form of Demand Draft / Cheques/ Cash under any circumstances. Candidates are required to pay the admission fee strictly as per the counselling schedule and keep one copy of fee receipt printout for their record.

b. Admission committee will verify all uploaded documents and status of fee payments for all candidates who are allotted a seat in a particular round. **If (i) all documents are found to be in order and (ii) fee payment is successful, the admission will be confirmed by the admission committee.** Such candidates can view the status of document verification in their login and printout of the provisional admission letter. Once provisional admission letter is available in 'candidate login',

admission process is complete for such candidates.

c. If admission committee finds some deficiency/deficiencies in uploaded documents and the seat allotted is not confirmed by the admission committee, a deficiency will be created by admission committee and the status will be made available in 'candidate login'. Such candidate can view the status of their admission in his/her login as per counselling schedule. They can contact helpdesk.jacdelhi@gmail.com or helplines of allotted institute for further clarification on deficiencies mentioned by the admission committee. The candidate may also report physically to allotted institute as per date and time mentioned in counselling schedule for any clarification on deficiencies. If candidate produces new/additional documents related to the deficiencies pointed out, and uploads the same on JAC Delhi portal as per specified schedule, the admission committee can confirm his/her admission if documents are found to be in order.

d. In any case, if admission is not confirmed by admission committee due to some deficiencies in documents, candidate can be considered for seat allotment in subsequent round with changed credentials for available seats in subsequent round(s). (e.g. if candidate belongs to OBC category, and his/her certificate is not valid as per JAC Delhi requirements, he/she can be made eligible for next round of counselling as GENERAL category candidate.). In case the candidate is not allotted any seat prior to the spot round (as specified

in the counselling schedule), the admission fee paid by such candidates shall be refunded.

e. Admission of a candidate is purely provisional and is subject to verification of original documents after the physical reporting of the candidate at the respective University / Institute.

4.5 Freezing of Branch and Institute/Branch Upgradation

Freezing: In case, a candidate desires to continue in the branch allotted to him/her at the time of admission or during subsequent upgradation (i.e. **does not want himself/herself to be considered for upgradation** to his/her higher preference branches in subsequent rounds of counselling), then **he/she may submit online freezing request** through JAC Delhi portal using their login. A branch will be 'freezed' only as per the schedule specified in the counselling schedule.

BRANCH ONCE FREEZED CANNOT BE REVERTED AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FREEZED THEIR ALLOTTED SEATS (KEPT THEIR SEATS ON 'FLOAT' OPTION) WILL BE CONSIDERED FOR UPGARDATION DURING SUBSEQUENT ROUNDS OF COUNSELLING.

Branch Upgradation: If the currently allotted seat is not the first choice of a candidate, such candidates may be allotted a seat from the more preferred choices of the candidate during allotment process of subsequent rounds.

a. A candidate, who has been admitted in a branch/institute other than his/her first choice, will automatically be upgraded (depending upon the availability of vacant seats), as per his/her merit in JEE (Main)-2021 or IIITD merit (in case of admission in IIIT-D), to a branch/institute of his/her higher preference during seat allotment of subsequent rounds.

b. A candidate, who has already been admitted and gets upgraded in next round of counselling, should take printout of new provisional seat allotment letter for record.

4.6 General Instructions

a. All candidates, who have not been allotted any seat until Fourth Round but are willing to participate in Phase II Rounds or the Spot Round of counselling, are required to refer to Section 5.5, 5.6 and 5.8 for details.

b. **The detailed instructions about the online counselling shall be available on the website www. jacdelhi.nic.in. Candidates are advised to go through the details thoroughly at this site before registration.**

c. Intimation to Candidates: A candidate will be intimated via SMS/Email on his/her registered mobile number and email address in the following cases:

    i. When a candidate's registration is confirmed

    ii. When a seat is allotted to a candidate

    iii. When a candidate deposits admission fee

    iv. When admission is confirmed by the admission committee

    v. When deficiency is generated by the admission committee

    vi. When a candidate's seat is upgraded/retained during subsequent rounds

vii. When a candidate freezes a seat.

viii. When a candidate withdraws a seat.

ix. When a candidate's Phase II counselling rounds participation fee is deposited

x. When a candidate is allotted a seat in Phase II rounds 5 or 6

Disclaimer: JAC Delhi 2021 will not be responsible for any sort of delay/failure of receiving of SMS or email due to any issues. So, it is in the interest of the candidates to follow the counselling schedule and check their status by login into their accounts regularly.

NOTE: Candidates are advised to visit JAC DELHI website (www.jacdelhi.nic. in) regularly for details.

- A candidate who is offered a seat under reserved category / subcategory in any round of seat allotment and fails to produce appropriate document in support, his/her allotted seat will be cancelled and he / she shall be considered for allotment in GENERAL category in subsequent rounds, subject to eligibility and availability of vacant seats.

- It is the sole responsibility of the candidate to prove his / her eligibility for claiming reservation under any of the reserved categories. The candidates under SC/ST/OBC/EWS categories and CW/PD/SG/KM/TP subcategories will be required to upload the certificate(s) of the respective reserved category/subcategory issued by the competent authority (as listed in Section 3.3) at the time of registration.

- If the certificate for reserved category candidate is not found to be in order, no benefit of the reservation will be given and the candidate shall be considered for allotment in GENERAL category in subsequent rounds, as per the eligibility of the candidate and availability of seats. If such candidate is able to produce his/her category certificates in further rounds, he/she will be considered for that category and will be allotted a fresh seat as per his/her merit and the vacancies available in that and subsequent rounds only.

CHAPTER 5

Online Counselling Procedure

5.1 Seat Allotment – General Rules

During this step, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of merit as explained below on the basis of the locked choices. The allotment result will be made available on the website www. jacdelhi.nic.in.

a. DTU, IGDTUW, NSUT and DSEU

i. The provisional seat allotment will be based solely on the All India Rank Common Rank List (CRL) Rank of the candidate in the JEE (Main) 2021 examination as given by NTA.

ii. For **B. Tech. Programmes and Dual Degree Programmes, All India** Common Rank List (CRL) Rank **in Paper-I** of JEE (Main) 2021 will be considered.

iii. Other than the above mentioned merit rank, seat allotment will be done by considering all the details provided by the candidate in his/her ONLINE application like category, region, minimum qualification eligibility criterion, choices filled etc.

b. IIIT Delhi

A separate merit list as described below, will be used for seat allotment in IIITD.

i. Final percentile score obtained in paper-1 of JEE Mains 2021.

i. Bonus points, if any, as defined in Annexure A (Maximum upto 2 points)

i. IIITD merit list will be based on the total of the above two.

i. In case of a tie, candidate with a higher rank in JEE 2021 shall rank higher.

Note: All participants of JAC Delhi 2021 counselling are intimated that admissions to various B. Tech. Programmes at IIIT Delhi will be made as per IIIT Delhi ranking. The mechanism of arriving at IIITD ranking is defined above in conjunction with Chapter 8 about eligibility for Bonus Points. All interested candidates are hereby advised to read it carefully and avail the benefits of Bonus Points as applicable individually.

Any candidate who may have missed proper filling of bonus point claims during registration process can avail the benefits of bonus points by producing the relevant documents during document verification schedule prior to seat allotment announcement for the subsequent round, failing which his/her claim for bonus points will remain forfeited.

5.2 Online Counselling Phase I – Round One

Online counselling will be done in 2 Phases, Phase-I with 4 rounds of counselling Round 1, Round 2, Round 3 and Round 4 and Phase-II with Round 5 and Round 6. Fresh Registration and Choice Editing/Filling will be available only in Rounds 1 to Round 4 (Phase I) and Round 5 (Phase II).

Round 1

a. The choices filled by the candidates during ONLINE registration will be processed centrally and the institute-wise cutoffs along with the seat allotment result will be made available on the JAC Delhi website. **As the choices filled by the candidates can be changed at the beginning of every round (if**

not freezed), hence the candidates are requested to fill/change their choices carefully.

b. All candidates who are provisionally allotted a seat in any round of counselling are required to pay the admission fee of Rs. 1,12,000/- using a fee payment link available in their login.

c. Admission committee will verify the documents and check status of admission fee payment as per schedule mentioned for each round. If all the uploaded documents are as per requirement and the admission fee has been paid by the candidate, his/her admission will be confirmed by admission committee and status will be made available to the candidate. Such candidates can download the provisional admission letter from JAC Delhi website.

d. **Freezing:** In case, a candidate whose admission is confirmed and who has downloaded the provisional admission letter, desires to continue in the branch and institute allotted to him/her at the time of admission or during subsequent upgradation **(i.e. does not want himself/herself to be considered for upgradation to his/her higher preference branches in subsequent rounds of counselling), then he/she must submit online freezing request** through JAC Delhi portal using their login. Branch freezing requests can be submitted only after the admission is confirmed by the admission committee till last date mentioned in counselling schedule of each round.

BRANCH ONCE FREEZED CANNOT BE REVERTED AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FREEZED THEIR ALLOTTED SEATS

(KEPT THEIR SEATS ON 'FLOAT' OPTION) WILL BE CONSIDERED FOR UPGARDATION DURING SUBSEQUENT ROUNDS OF COUNSELLING

It must be noted that once a branch is freezed by the candidate using the "Branch Freezing Option", the candidate will not be allowed to change his/her filled choices in any of the subsequent round(s) of counselling and will not be considered for branch/institute upgradation

e. In case, any deficiency/deficiencies is found in the uploaded documents, or the academic fee has not been paid, the admission of candidate will be cancelled after the completion of that round. Information about the deficiencies will be made available to the candidate on or before the specified date and time during each round of admission. If candidate can clear the deficiencies before the end of that round, his/her admission will be confirmed. To clear the deficiency, candidate can upload new documents/additional documents/pay the academic fee as asked by admission committee or he/she can visit the institute where seat is allotted before end of a round.

f. For candidates, whose admissions are not confirmed due to some deficiencies, seat allotted to the candidate will be cancelled. Such candidates may be considered in next round of counselling with changed credentials (e.g. if OBC certificate is not valid, category may be changed from OBC to GENERAL).

g. In case, the admission of a candidate who has paid the academic fee of Rs. 1,12,000/- is not confirmed

because of some deficiencies/ inconsistencies in their documents, the academic fee paid by them will be refunded within 10 days after last date of withdrawal (refer counselling schedule).

h. **Failing to pay the admission fee against allotted seat, his/ her allotted seat will stand automatically cancelled and the candidate will not be considered for subsequent ONLINE rounds of seat allotment upto Round 4. However, such candidates are eligible for Phase II counselling provided they pay Phase II participation fee.**

i. Based on the number of candidates completing the document verification and number of withdrawals made by admitted candidates, the vacant seats available thereafter will be used for seat allotment in second round of counselling.

5.3 Second Round of Counselling

a. Fresh candidates can also register in this round as per the counselling schedule.

b. All admitted candidates who have not freezed their allotted branch in the previous round, shall be allowed to change their **preference of choices**. In order to change his/ her choices, a candidate MUST visit JAC Delhi website and change their preferences using the candidate login as per counselling schedule.

c. **The following types of candidates are eligible for seat allotment/ upgradation:**

i. **Type - I:** All candidates who have registered afresh in second round and all registered candidates who were not allotted any seat in the first round of seat allotment.

ii. **Type–II:** All candidates who were allotted a seat in the first round of counselling, paid prescribed admission fee as required, also got their documents verified successfully and didn't freeze their seat.

iii. **Type-III:** All candidates who were allotted a seat in the first round of counselling, paid prescribed admission fee as required but their admissions were not confirmed by admission committee due to some deficiencies in their documents and admission committee permitted them to participate in next round of counselling with changed category/subcategory/ region.

d. Candidates of Type – I, who are allotted a seat in this round will have to pay the admission fee (refer Chapter 6 for details) as per the counselling schedule (available on the website www.jacdelhi.nic.in).

For a candidate failing to pay the admission fee as per the counselling schedule, his/her allotted seat will stand automatically cancelled and the candidate will not be considered for subsequent ONLINE rounds of seat allotment. However, such candidates are eligible for Phase-II round 5 & round 6, in case they choose to pay the Phase-II participation Fee.

e. Candidates of Type - II may either be allotted a seat of **higher** preference choice or their previously allotted seat will remain unchanged. They can, if they wish, freeze their allotted seat or wait for upgradation in subsequent round(s).

f. Candidates of Type-III will participate in second round of seat allotment with changed category/subcategory/region. Like Type-I, they may be allotted a fresh seat but they need not pay the admission fee as they have already paid it in first round.

g. In case, a candidate, who has been admitted/upgraded in this round, desires to continue in the seat allotted **(i.e. he/she does not want to be considered for upgradation to his/her higher preferences in subsequent rounds of counselling), then he/she may submit an online freezing request** through JAC website using candidate's login on the day mentioned in counselling schedule (after confirmation of admission).

5.4 Third and Fourth Round of Counselling

Fresh registrations shall be allowed in the beginning of these rounds (For details of registration, refer Section 4.1 - 4.3). Remaining process will remain same as second round.

5.5 Phase -II – Fifth Round of Counselling

The following candidates are eligible for Phase II of Counselling:

iii. **Type-III:** All candidates who were allotted a seat in the fifth round of counselling, paid prescribed admission fee as required but their

admissions were not confirmed by admission committee due to some deficiencies in their documents and admission committee permitted them to participate in next round of counselling with changed category/ subcategory/region.

Procedure for Phase-II, Round 6

Fresh registration and editing of filled choices are not permitted before Round 6.

Seat Allotment Procedure

a. Candidates of Type – I, who are allotted a fresh seat in this round will have to pay the admission fee (refer Chapter 6 for details) as per the counselling schedule (available on the website www.jacdelhi.nic.in).

   For a candidate failing to pay the admission fee as per the counselling schedule, his/her allotted seat will stand automatically cancelled. The Participation Fee of Rs.10,000/- will be forfeited.

b. Candidates of Type – II, may either be allotted a seat of **higher** preference choice or their previously allotted seat will remain unchanged. They can, if they wish, freeze their allotted seat or wait for upgradation in subsequent round(s), if any.

c. Candidates of Type-III, will participate in sixth round of seat allotment with changed category/ subcategory/region. Like Type-I, they may be allotted a fresh seat but they need not pay the admission fee as they have already paid it in first round

   In case, a candidate, who has been admitted/upgraded in this round, desires to continue in the seat allotted **(i.e. he/she does not want to be considered for upgradation to his/her higher preferences in**

subsequent rounds of counselling), then he/she must exercise the Branch Freezing option available in 'candidate login' on JAC Website on the day(s) mentioned in counselling schedule (after confirmation of admission).

5.7 Upgradation of Admitted Candidates (after Phase-II Round 6)

After completion of Phase II, Round 6, an internal upgradation of all the admitted candidates will be done according to the rules mentioned in this section (5.7). The resulting vacancies, if any, after internal upgradation will be filled in the spot round.

a. **The admitted candidates who have not 'FREEZED' their branches, will be allowed to edit their choices** as per the counselling schedule mentioned on JAC Website.

b. Only those candidates who are already admitted and have not withdrawn their admission upto completion of the document verification stage of sixth round of counselling are eligible for upgradation. This upgradation is made against the vacant seats after Phase-II Round 6.

c. There will be upgradation for candidates involving all participating Universities/Institutes by taking the maximum rank of last round of counselling cut-off of JEE Main Rank (Paper I) in each category & region for DTU, NSUT & DSEU as base cut off ranks.

d. After this upgradation (Point b), there will be internal upgradation within the admitted candidates of IGDTUW beyond the rank mentioned in Point b above. These candidates

may participate in the SPOT Round only after due submission of their willingness at the Spot Round Venue.

5.8 Spot Round (subject to availability of seats)

A SPOT ROUND of counselling may be conducted for the vacant seats, if any, available in DTU, IGDTUW, IIITD, NSUT & DSEU after upgradation of admitted candidates (as described in 5.7). The detailed instructions for conduct of Spot Round, rules for participation etc. will be made available on the JAC Website after completion of Round 6.

5.9 Reporting at the Final Allotted University / Institute

All provisionally admitted candidates are required to visit the website of allotted institute/university for physical verification of original documents/ commencement of classes and payment of balance fee (if any). Admitted candidates need to pay the balance fee at the final allotted University / Institute AS PER FEE PAYMENT SCHEDULE available on respective institute/university website, failing which, the admission of the candidate automatically stands cancelled ipso facto.

5.10 Final Upgradation after Commencement of Session

Some of the participating institutes/ universities will execute a final branch upgradation after commencement of session (during first/second semester), against vacant seats created by withdrawals/cancellation of admissions. This upgradation will be done by the participating institute individually and upgradations will be within particular institute/university. Following is the procedure for final upgradation:

a. Students studying in institute can participate in this upgradation process.

b. Interested candidates need to fill fresh choices for branch upgradations within allotted institute/university only. The currently allotted branch of those students who are not interested to upgradation will remain unchanged.

c. Choices filled earlier at the time of registration/admission rounds will be deleted from list of preferences.

d. There will not be any change in Category/Sub-category and Region of the students under any circumstances.

e. Upgradation will be based on JEE(Main) Common Rank List (CRL) Rank only. Performance of student in first year will not be considered for upgradation.

f. Options for re-filling the choices, once exercised, will not be changed later under any circumstances.

g. Candidates are advised to fill current allotted branch at the bottom of the choices filled. Otherwise all choices filled below current branch will be ignored and will not be considered for upgradation.

h. Branch once upgraded shall be final and no request in this regard will be entertained by the institute.

Note: The decision of the Joint Admission Committee 2021 regarding the eligibility/ admission of any applicant shall be final. All the candidates claiming reservation under various categories / sub-categories must have been issued respective category/sub-category certificate, on or before the date of registration.
